

SADDLE UP NIAGARA

2008 SPONSORSHIP LETTER

Saddle Up Niagara is a brand new saddle club that has started up in Lincoln. It is a non-profit organization that was established to provide the opportunity for local riders of all ages to join together in “fun” horse shows with a strong emphasis on sportsmanship and friendly competition. Horse shows will be schooling shows and the Club’s activities will be geared to both the development and education of riders who may want to later move on to higher levels of competition as well as those who are just out to have some fun with their horses and friends.

Our shows will take place at the Beamsville Fairgrounds in a new show ring constructed by the Lincoln Agricultural Society in 2007. Since this is our first year of operations, we must raise funds to cover the cost of some equipment and up front expenses that are necessary to be ready for our first show in June of 2008. In addition, we would like to obtain sponsorships to help cover the costs of awards and performance recognition at our end of year banquet.

We hope that businesses and associations in the community will sponsor our club. Attached you will find a description of the benefits at various sponsorship levels. If you are not able to give a monetary donation, we would be very appreciative of tack, gift certificates, horse related products, raffle prizes, etc. We encourage all of our members to support our sponsors.

Thank you for your consideration,
The Directors of Saddle Up Niagara
